The image displays a grid of characters, likely from a font or character map, arranged in rows and columns. The first row contains numerical digits from 0 to 9 and letters A through F. Subsequent rows feature a variety of symbols, including geometric shapes like squares, triangles, and circles, as well as more complex icons such as a flower, a Khanda symbol, and musical notes. The grid also includes characters from different scripts, such as Indian and Arabic numerals, and other non-Latin alphabets. The characters are primarily black on a white background.
